HISTORY OF THE GARDEN

The Dodge City Area Women's Chamber of Commerce, Inc. Beautification Committee Memorial Commemorative Rose Garden is located on the campus of the Dodge City Community College located on North 14th Avenue.

The Rose Garden is an accumulation of five years of planning. Problems arose in locating the final site and several money raising events were needed before the dream became a reality.

All funds earned by the Women's Chamber at the Dodge City Days Rodeo concession stand go back into Dodge City. Therefore we were able to obtain some of the funds necessary to start this project from the general funds allocated towards beautification. After 2 years of intense research, the ideal location was finally chosen. The Committee with the permission of the Dodge City Community College constructed the garden at its present location.

All the work that has been done has been accomplished by a group of devoted women with the help of donations of local businesses and schools. With their help, the garden was formally dedicated on July 16, 1987.

We are hoping the Rose Garden will be a place for people to come, sit, relax or meditate and take "time to smell the roses". We also hope it will serve as a tourist stopping point when they need to sit and relax.

Each raised bed holding 5 or 10 rose bushes with plaques identifying the rose. There is a sign at the entrance of the garden identifying who the rose is for and whether it is commemorative or a memorial. A drip irrigation system is installed for proper watering.

The Committee and numerous volunteers spend numerous hours carefully tending to the garden.

You may be a part of the Garden's rosy future by either purchasing a rose bush for someone or making a cash donation.

The Garden held a formal Ribbon Cutting when it opened and has hosted several wedding and has been used as the background for pictures.

To purchase a rose send a check for \$40.00 to the Beautification Committee. Mail to the Dodge City Area Women's Chamber of Commerce, Inc., PO Box 351, Beautification Committee, Dodge City, KS 67801.

You select the rose, we plant and care for it. The commemorative or memorial will last for 5 years. At the time you may renew the memorial/commemorative or let it expire.

*Please come in,
sit down and enjoy
the quiet time.
Read a book, paint
or just relax.*
